Question 1 : How do I get AB-PMJAY if I'm less than 70 years of age?

1. AB PM-JAY and MMSBY Scheme Guidelines

The guidelines for the AB PM-JAY and MMSBY are currently provided in https://sha.wbhealth.gov.in/.

Navigate to the menu → Scheme → AB PM-JAY/MMSBY.

2. Identification and Onboarding of Eligible Beneficiaries under AB PM-JAY

The Government of India (GoI) has mandated the use of the NFSA database for identification and onboarding of eligible beneficiary families under the AB PM-JAY scheme.

- Approximately 1.34 crore beneficiary families with ~5.99 crore individuals have already been ingested into the NHA beneficiary database, covering the AAY, SPHH and PHH categories.
- Pre-field verification forms are being physically verified by Field-Level Workers (FLWs) and subsequently handed over to Data Entry Operators (DEOs) and Extension Officers for eligibility verification under PM-JAY and parallelly e-KYC of the beneficiaries are being done through PM-JAY website https://beneficiary.nha.gov.in/ or through PM-JAY mobile app.
- Field-level survey and verification are currently underway to validate beneficiary details and complete the onboarding process.
- More than 3.25 crore beneficiary cards have already been activated, enabling eligible beneficiaries to avail treatment under the AB PM-JAY scheme.

3. Online Eligibility Status Check

Beneficiaries can check their eligibility status under **AB PM-JAY or MMSBY** through the State Health Authority portal: https://sha.wbhealth.gov.in/.

Menu: Citizen Services → PM-JAY Eligibility Check

The beneficiary can enter their Aadhaar number to check the applicable scheme and status.

If the beneficiary's Aadhaar is found against a Ration Card in the AAY, SPHH or PHH category, the portal will display the status:

- If the PM-JAY card has been activated, the PM-JAY card number will be displayed.
- If verification is still ongoing, the beneficiary will be informed that the case is under verification and that eligibility for PM-JAY will be determined based on the outcome of the verification process.

5. Beneficiaries under RKSY1 Category

Those beneficiaries who could not be covered in AB PM-JAY but have Ration card category as RKSY 1 and have a valid Swasthya Sathi URN , their pre-filled forms have also been provided to FLW for field verification and subsequent digitization and verification process by Extension Officers.

If the beneficiary's Aadhaar is found against a Ration Card in the RKSY1 category, the portal will display the MMSBY status:

- If the MMSBY card has been activated, the MMSBY card number will be displayed.
- If verification is ongoing, the beneficiary will be informed accordingly and eligibility for MMSBY will be determined based on the verification outcome.

6. Beneficiaries Not Found in the NFSA/Ration Card Database

If the beneficiary's Aadhaar is not found under AAY, SPHH, PHH or RKSY1, but the beneficiary has a valid Swasthya Sathi URN, the following process will be followed:

1. The beneficiary will be asked to enter their Swasthya Sathi URN.
2. If the URN is valid, an OTP will be sent to the registered mobile number of the Swasthya Sathi Main Beneficiary for authentication.
3. On successful OTP authentication, the beneficiary will be shown a form containing the details of all family members along with their current eligibility/status under PM-JAY/MMSBY.
4. If an ABHA ID is not available for any family member, the beneficiary will be required to provide the Aadhaar number so that the ABHA ID can be generated.
5. If the Aadhaar is not found in the AAY, SPHH, PHH or RKSY1 databases, the beneficiary and eligible family members will be provided an option to apply online for MMSBY.
6. The online applications received will subsequently be forwarded to FLWs for field verification.
7. Following field verification, the cases will undergo digitization and verification by Extension Officers, who will finally mark the beneficiary as eligible or ineligible for MMSBY.

Question 2 : Toll-free number for MMSBY

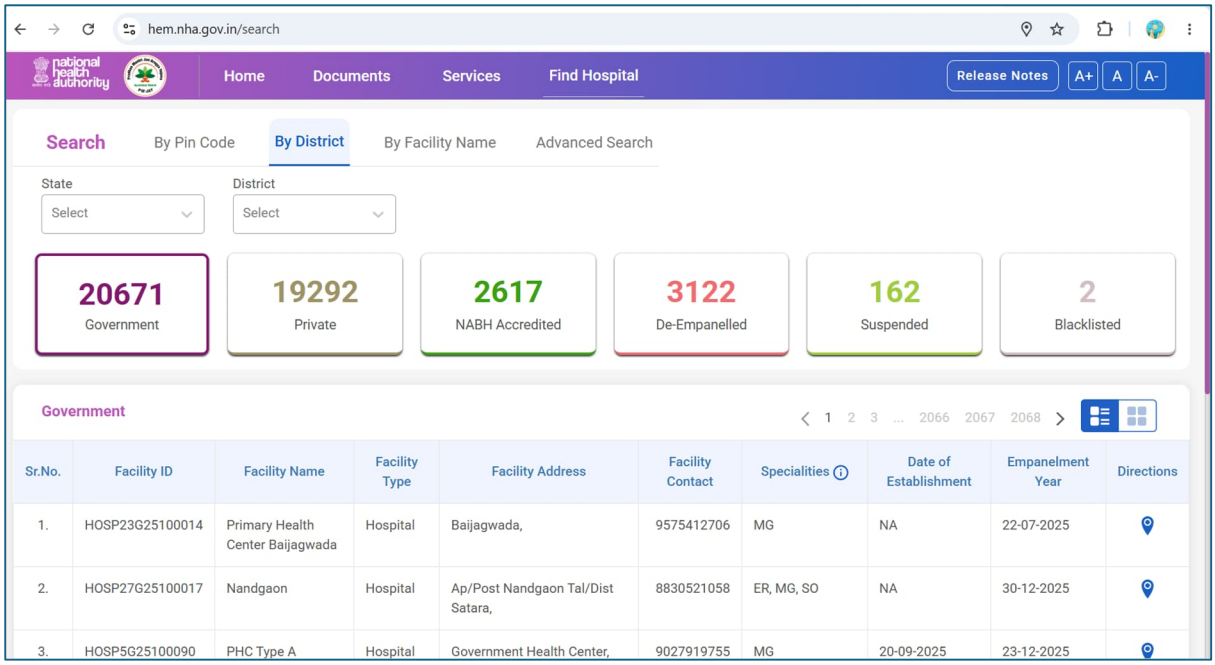

18003455384

A • General Information

1 What is Ayushman Bharat PM-JAY?

Ayushman Bharat Pradhan Mantri Jan Arogya Yojana, or AB-PMJAY, is a Government of India health assurance scheme that provides cashless healthcare coverage for eligible beneficiaries for specified secondary and tertiary care treatments at empanelled hospitals.

2 What benefit is provided under PM-JAY?

Eligible families receive health cover of up to ₹5 lakh per family per year for covered treatments, subject to the applicable scheme rules and available balance.

3 Is the ₹5 lakh available to every person separately?

Generally, the ₹5 lakh cover is on a family-floater basis, meaning eligible family members can use the available annual family coverage. For eligible senior citizens aged 70 years and above, additional provisions apply.

4 Is PM-JAY an insurance scheme?

It is a Government-funded health assurance scheme. Treatment is provided through the PM-JAY system at empanelled healthcare providers according to applicable packages and rules.

5 Is treatment under PM-JAY free?

For an eligible beneficiary receiving an eligible covered treatment at an empanelled hospital, the treatment is generally provided on a cashless basis within the applicable coverage and package rules. The beneficiary should not be charged for covered services.

6 Is there any restriction on family size?

Under the original PM-JAY beneficiary structure, there is no restriction on family size, age or gender for members of an eligible family.

File No. HFW-57011(18)/2/2026-SWASTHYASATHI SEC-Dept. of H&FW (Computer No. 1483794)
Generated from eOffice by SOURAV GHOSH, SC(SG)-IT(H&FW), SC(IT)(H&FW), HEALTH & FAMILY WELFARE DEPARTMENT on 23/09/2026 04:21 PM

7 Is there any age limit for PM-JAY?

For families covered under the regular PM-JAY eligibility criteria, there is no age restriction for eligible family members. In addition, all senior citizens aged 70 years and above are now eligible irrespective of income, subject to the applicable enrolment requirements.

B • Eligibility

8 Who is eligible for PM-JAY?

Eligibility depends on the beneficiary database and the applicable PM-JAY/state scheme rules.

9 Can anyone apply for PM-JAY?

Regular PM-JAY coverage is not an open enrolment scheme for all age groups; eligibility is based on the notified beneficiary criteria/database. However, all persons aged 70 years and above are eligible under the expanded senior-citizen coverage irrespective of income, subject to Aadhaar-based e-KYC.

10 I am 70 years old. Am I eligible?

Yes. All senior citizens aged 70 years or above are eligible for AB-PMJAY irrespective of their income or socio-economic status. Aadhaar-based e-KYC is required for enrolment.

11 What document is required for a 70+ person?

For enrolment under the 70+ senior-citizen benefit, Aadhaar is the required document and Aadhaar-based e-KYC is mandatory.

12 Both my parents are above 70. Do they need separate enrolment?

File No. HFW-57011(18)/2/2026-SWASTHYASATHI SEC-Dept. of H&FW (Computer No. 1483794)
Generated from eOffice by SOURAV GHOSH, SC(SG)-IT(H&FW), SC(IT)(H&FW), HEALTH & FAMILY WELFARE DEPARTMENT on 23/09/2026 04:21 PM

After enrolling the first eligible family member aged 70 or above, other eligible 70+ family members can be added using the applicable Add Member facility.

13 I have private health insurance. Can I still get PM-JAY if I am 70+?

Yes. Senior citizens aged 70 years and above who have private health insurance can still be eligible for AB-PMJAY.

14 I am covered under ESI and am 70+. Can I get PM-JAY?

Senior citizens aged 70 years and above who are covered under ESI are eligible for AB-PMJAY, subject to the applicable rules.

15 I am covered under CGHS/ECHS. Can I use PM-JAY?

Eligible 70+ senior citizens covered under schemes such as CGHS or ECHS may choose between the existing scheme and AB-PMJAY, as per applicable government provisions.

C • Ayushman Card

16 What is an Ayushman Card?

The Ayushman Card is the beneficiary identification card used to establish eligibility for availing PM-JAY benefits.

17 How can I get an Ayushman Card?

The card can be generated through the authorised PM-JAY beneficiary identification/enrolment process. For eligible 70+ senior citizens, enrolment can also be initiated through the official beneficiary portal or Ayushman App.

18 Can I get the Ayushman Card online?

File No. HFW-57011(18)/2/2026-SWASTHYASATHI SEC-Dept. of H&FW (Computer No. 1483794)
Generated from eOffice by SOURAV GHOSH, SC(SG)-IT(H&FW), SC(IT)(H&FW), HEALTH & FAMILY WELFARE DEPARTMENT on 23/09/2026 04:21 PM

Yes, eligible beneficiaries can use the official PM-JAY beneficiary services. For 70+ senior citizens, the official guidance provides for online enrolment through the beneficiary portal and Ayushman App.

19 My name is showing but I don't have an Ayushman Card. What should I do?

Please approach an authorised Ayushman Card creation/beneficiary identification point or follow the official beneficiary identification process.

20 My name is not showing in the beneficiary list. What should I do?

Eligibility and beneficiary records need to be checked in the authorised system.

21 Can I use someone else's Ayushman Card?

No. The Ayushman Card is beneficiary-specific. Treatment must be provided after the required beneficiary identification and authentication process.

22 Can I transfer my Ayushman Card to another person?

No. The card/beneficiary entitlement is not transferable.

D • Hospital and Treatment

23 Where can I take treatment under PM-JAY?

Treatment can be taken at an empanelled hospital for procedures covered under PM-JAY.

24 Can I go to any hospital?

No. The hospital should be empanelled under the applicable PM-JAY/state scheme, and the required treatment should be covered under the applicable package.

File No. HFW-57011(18)/2/2026-SWASTHYASATHI SEC-Dept. of H&FW (Computer No. 1483794)
Generated from eOffice by SOURAV GHOSH, SC(SG)-IT(H&FW), SC(IT)(H&FW), HEALTH & FAMILY WELFARE DEPARTMENT on 23/09/2026 04:21 PM

25 Can I take treatment in a private hospital?

Yes, if the private hospital is empanelled under PM-JAY and provides the required covered package/service.

26 Can I take treatment in another state?

Yes. PM-JAY provides national portability. An eligible beneficiary can avail covered treatment at an empanelled hospital outside the home state, subject to applicable PM-JAY rules.

27 I live in one state but want treatment in another state. Who pays?

For PM-JAY portability, the beneficiary's home state and the relevant PM-JAY system handle the applicable claim/payment process. The beneficiary can receive eligible treatment at an empanelled hospital in another state.

28 Does the hospital have to provide cashless treatment?

For covered PM-JAY services at an empanelled hospital, treatment is intended to be provided on a cashless basis, subject to eligibility, package availability and scheme rules.

29 The hospital is asking me to pay money. What should I do?

Please ask the hospital to explain the reason for the charge. If the service is covered under PM-JAY and the charge is not permissible, please report the matter to the PM-JAY grievance mechanism/call centre so that the complaint can be registered and investigated.

30 Can the hospital charge me for medicines?

Medicines and consumables that are included within the applicable PM-JAY package should be covered according to the package rules. If the hospital asks for payment for a covered service, please report the matter.

31 Can the hospital charge separately for diagnostics?

File No. HFW-57011(18)/2/2026-SWASTHYASATHI SEC-Dept. of H&FW (Computer No. 1483794)
Generated from eOffice by SOURAV GHOSH, SC(SG)-IT(H&FW), SC(IT)(H&FW), HEALTH & FAMILY WELFARE DEPARTMENT on 23/09/2026 04:21 PM

Diagnostic services included in the applicable package are covered according to PM-JAY package rules. The beneficiary should not be charged separately for an included component.

32 Can I choose a hospital?

You may choose an empanelled hospital that provides the required covered treatment. Availability of the particular speciality/package should be confirmed with the hospital.

33 Can I get OPD treatment under PM-JAY?

PM-JAY primarily covers specified hospitalisation/day-care and other notified services. Routine OPD treatment is not automatically covered under the standard PM-JAY benefit.

34 Is ICU treatment covered?

ICU treatment is covered where permitted under the applicable package/procedure. It is not automatically covered for every admission.

35 Are pre-existing diseases covered?

Yes. Pre-existing conditions are covered from the beginning of coverage, subject to applicable exclusions and scheme rules.

36 Is cancer treatment covered?

Certain cancer treatments/procedures are covered under PM-JAY packages. Coverage depends on the specific diagnosis and procedure/package available at the empanelled hospital.

37 Is dialysis covered?

Eligible dialysis procedures may be covered under the applicable PM-JAY package. The hospital should verify the exact procedure/package and eligibility before treatment.

39 Are medicines covered?

Medicines required as part of a covered package are generally included according to the package provisions.

40 Is there a waiting period?

PM-JAY does not impose a waiting period for pre-existing diseases; eligible pre-existing conditions are covered from day one.

E • Pre- and Post-Hospitalisation

41 Are expenses before hospitalisation covered?

Yes, eligible pre-hospitalisation expenses are covered according to the applicable package. The standard PM-JAY communication specifies up to 3 days before hospitalisation.

42 Are expenses after discharge covered?

Eligible post-hospitalisation expenses are covered according to the applicable package, generally up to 15 days after discharge under the standard PM-JAY benefit communication.

43 Are all medicines bought after discharge covered?

Only medicines and services that fall within the applicable post-hospitalisation provisions/package are covered. Please retain the relevant documents and confirm with the treating hospital.

F • Emergency Cases

44 What happens in an emergency?

In an emergency, the beneficiary should immediately approach the nearest appropriate hospital. If the beneficiary cannot provide the usual identification documents, the hospital should follow the prescribed PM-JAY emergency identification process.

45 What if the patient has no Aadhaar with them during an emergency?

Emergency cases have specific provisions for beneficiary identification. The hospital/call centre can follow the prescribed emergency verification process. Government photo identification may be used in accordance with the applicable procedure.

46 Can a hospital refuse emergency treatment because documents are unavailable?

Emergency cases should be handled according to the applicable PM-JAY emergency protocol. The hospital should follow the prescribed beneficiary identification and verification process rather than simply refusing treatment.

47 What if the patient is unconscious?

The hospital should provide appropriate emergency medical care and follow the applicable PM-JAY identification/verification procedure.

G • Newborn / Family Members

48 Is a newborn baby covered?

A newborn can be covered subject to the applicable PM-JAY provisions and available family benefit. There is no restriction on family size.

49 My family already used some of the ₹5 lakh. Can another member use the remaining amount?

Yes. The standard PM-JAY cover works on a family-floater basis, so the available balance can be used by eligible family members subject to the applicable package and annual coverage limit.

50 Can all family members use the benefit?

Yes, eligible members of the beneficiary family can use the available family coverage, subject to the scheme rules and available balance.

H • Hospital Refusal / Complaints

51 The hospital says my Ayushman Card is not valid. What should I do?

Please ask the hospital to verify your beneficiary status through the authorised PM-JAY system.

52 The hospital refused to provide PM-JAY treatment. What should I do?

Please provide the hospital name, location, date of visit, treatment required and details of what happened.

53 The hospital is asking for money for a covered treatment.

Please do not make an assumption about the charge. Ask the hospital for the reason and report the issue to the PM-JAY grievance mechanism if you believe the charge is for a covered service.

54 How can I complain against a hospital?

A grievance can be registered through the PM-JAY grievance redressal mechanism. Call-centre complaints are recorded and forwarded through the prescribed process to the concerned State/District grievance authorities.

55 Will I get a complaint number?

A grievance registered through the prescribed grievance system is assigned a grievance/reference number so that it can be tracked according to the applicable process.

56 What information should I provide when registering a complaint?

Please provide the beneficiary details, contact number, hospital name, hospital location, date of incident, treatment/procedure involved, amount demanded if any, and a clear description of the complaint.

57 Can I complain against a government hospital?

Yes. Complaints relating to PM-JAY services can be registered through the applicable grievance mechanism irrespective of whether the empanelled hospital is public or private.

I • Aadhaar / Authentication

58 Is Aadhaar mandatory for everyone to receive PM-JAY treatment?

The exact identification and authentication requirement depends on the applicable beneficiary category and PM-JAY process. For new enrolment of 70+ senior citizens, Aadhaar-based e-KYC is mandatory.

59 My Aadhaar mobile number is not linked. What should I do?

Please follow the prescribed Aadhaar/e-KYC process. If authentication cannot be completed, the authorised beneficiary identification centre/hospital can advise you on the available permitted verification method.

60 My Aadhaar details are incorrect. Can I get the card?

Incorrect demographic details may cause authentication or beneficiary identification problems. Please get the Aadhaar details corrected through the authorised Aadhaar process and then retry the PM-JAY verification.

61 My name is different in Aadhaar and other documents.

Please inform the beneficiary identification operator/hospital. They will check the applicable identification rules and advise.

62 Can someone else enrol a 70+ parent?

The enrolment can be assisted by a family member, but the required Aadhaar-based e-KYC process must be completed as prescribed.

J • Portability

63 Can I use PM-JAY outside my home district?

Yes, subject to the treatment being covered and the hospital being empanelled.

64 Can I use PM-JAY outside my state?

Yes. PM-JAY benefits are portable across the country at empanelled hospitals, subject to applicable rules.

65 I am from State A but currently living in State B. Can I get treatment there?

Yes, if you are an eligible PM-JAY beneficiary and the required treatment is available at an empanelled hospital in State B.

66 Will I have to make a new Ayushman Card in another state?

Normally, national portability allows an eligible PM-JAY beneficiary to use the existing beneficiary entitlement at an empanelled hospital outside the home state. The hospital will perform the required verification.

K • Coverage and Payment

67 What happens if my treatment costs more than ₹5 lakh?

PM-JAY provides benefits only up to the applicable available coverage and according to the package rules. If the treatment cost exceeds the available entitlement or falls outside the covered package, the hospital must explain the applicable payment arrangement before proceeding, wherever required.

68 Can I get reimbursement if I paid the hospital myself?

PM-JAY is primarily designed for cashless treatment at empanelled hospitals. Reimbursement is not available.

69 Can I claim PM-JAY after completing treatment?

Beneficiary identification and treatment processing are expected to take place through the PM-JAY system during the treatment process.

MMSBY • VVS • e-KYC & PRACTICAL GUIDANCE

Senior Citizens & VVS

What is VVS/VVY?

VVS refers to the Ayushman Vay Vandana component of Ayushman Bharat for senior citizens aged 70 years and above.

What does the additional ₹5 lakh “top-up” mean under AB-PMJAY for senior citizens aged 70 years and above?

Under the Ayushman Vay Vandana benefit, an eligible senior citizen aged 70 years or above gets health coverage of up to ₹5 lakh per year.

Beneficiary Services

Where can I check whether I am eligible for AB-PMJAY?

Beneficiaries should use the official PM-JAY Beneficiary Portal to check their eligibility and beneficiary record. The beneficiary can also approach an authorised Common Service Centre (CSC), Ayushman Arogya Mandir/authorised enrolment point, or Ayushman Mitra at an empanelled hospital, as applicable.

Where can I apply for an AB-PMJAY card?

The principal digital platform for beneficiary identification and Ayushman Card-related services is the PM-JAY Beneficiary Portal. Depending on the beneficiary category and facilities made available in West Bengal, card creation/e-KYC may also be facilitated through authorised centres or an empanelled hospital.

e-KYC

What is e-KYC?

File No. HFW-57011(18)/2/2026-SWASTHYASATHI SEC-Dept. of H&FW (Computer No. 1483794)
Generated from eOffice by SOURAV GHOSH, SC(SG)-IT(H&FW), SC(IT)(H&FW), HEALTH & FAMILY WELFARE DEPARTMENT on 23/09/2026 04:21 PM

e-KYC (electronic Know Your Customer) is the process of electronically verifying the identity of the beneficiary so that the correct person can be linked to the PM-JAY beneficiary record. Aadhaar-based authentication/e-KYC may be used where applicable and requires the beneficiary's consent.

What are the basic steps for e-KYC?

1. Open the official PM-JAY Beneficiary Portal or authorised PM-JAY channel. 2. Enter the required details. 3. Select West Bengal and the applicable scheme/category. 4. Search for and select the beneficiary record. 5. Initiate e-KYC. 6. Complete applicable Aadhaar/identity authentication and consent. 7. Complete demographic/photographic verification where applicable. 8. Submit e-KYC. 9. Once approved/generated, download or obtain the Ayushman Card.

What documents/details may be required for e-KYC?

Depending on the beneficiary category and verification method: Aadhaar, mobile number, Ration Card/Family ID where applicable, proof of relationship where applicable, and other government-approved identity/supporting documents.

MMSBY

How do I renew my MMSBY card?

For MMSBY (Mukhyamantri Swasthya Bima Yojana), beneficiaries should follow the renewal process prescribed by the Government of West Bengal. The renewal/continuation process should be linked to the beneficiary's current eligibility and relevant government database.

Is MMSBY the same as Swasthya Sathi?

No.

If a person is NOT enrolled under Swasthya Sathi and is NOT enrolled under AB-PMJAY, can that person get MMSBY facilities?

File No. HFW-57011(18)/2/2026-SWASTHYASATHI SEC-Dept. of H&FW (Computer No. 1483794)
Generated from eOffice by SOURAV GHOSH, SC(SG)-IT(H&FW), SC(IT)(H&FW), HEALTH & FAMILY WELFARE DEPARTMENT on 23/09/2026 04:21 PM

No, unless the person independently satisfies the eligibility and enrolment conditions notified for MMSBY.

If a person has Swasthya Sathi but is not eligible for AB-PMJAY, what should they do?

Such a person should check whether they fall within the MMSBY/state-supported category applicable in West Bengal. They should keep their Swasthya Sathi/beneficiary details and identity documents available and complete any required verification or renewal process.

Is every Swasthya Sathi beneficiary automatically eligible for AB-PMJAY?

No. AB-PMJAY eligibility is determined according to the applicable national/state beneficiary database and PM-JAY eligibility rules.

What will happen to a Swasthya Sathi family that is eligible for AB-PMJAY?

Where the family is found eligible under AB-PMJAY, the family will receive benefits under AB-PMJAY, subject to the applicable scheme rules.

What if a Swasthya Sathi beneficiary is not eligible for AB-PMJAY?

The Government of West Bengal has introduced MMSBY for eligible residents who remain outside AB-PMJAY coverage. The source states the scheme provides cashless health coverage of up to ₹5 lakh per family per year.

What is Mukhya Mantri Swasthya Bima Yojana (MMSBY)?

MMSBY is a State Government health insurance/health assurance scheme introduced for eligible West Bengal residents as per the criteria defined by the Government of West Bengal. It is intended to ensure that families outside AB-PMJAY do not lose access to financial protection for hospitalisation.

Is MMSBY the same as AB-PMJAY?

File No. HFW-57011(18)/2/2026-SWASTHYASATHI SEC-Dept. of H&FW (Computer No. 1483794)
Generated from eOffice by SOURAV GHOSH, SC(SG)-IT(H&FW), SC(IT)(H&FW), HEALTH & FAMILY WELFARE DEPARTMENT on 23/09/2026 04:21 PM

The source describes the benefits as similar, but the schemes are separate: AB-PMJAY is a central health assurance scheme implemented with the State, while MMSBY is a State Government health protection scheme with its own eligibility criteria.

Does having an old Swasthya Sathi card mean that I will automatically get MMSBY?

Not necessarily. Eligibility for MMSBY will depend on the eligibility conditions notified by the Government of West Bengal.

Will the ₹5 lakh benefit continue?

For eligible beneficiaries, both AB-PMJAY and MMSBY provide health protection subject to their respective scheme rules. MMSBY will give coverage of up to ₹5 lakh per family per year.

Can a family use both AB-PMJAY and MMSBY for the same treatment?

Beneficiaries should not assume that both schemes can be used simultaneously for the same hospitalisation or claim.

If I have an AB-PMJAY card, should I also apply for MMSBY?

Generally, MMSBY is intended for eligible persons who are outside AB-PMJAY coverage. A beneficiary already eligible under AB-PMJAY should first use/verify the AB-PMJAY entitlement and should not assume that a separate MMSBY entitlement is available.

What documents may be required for beneficiary verification?

Aadhaar card, mobile number, family/household details, identity and address information, existing Swasthya Sathi card where applicable, AB-PMJAY beneficiary information/card where applicable, and other documents prescribed by the competent authority.

File No. HFW-57011(18)/2/2026-SWASTHYASATHI SEC-Dept. of H&FW (Computer No. 1483794)

What should I do if my name is not found under AB-PMJAY?

First, verify your beneficiary status through the authorised AB-PMJAY channel. If you are not eligible for AB-PMJAY, check whether you qualify for MMSBY under the State's notified eligibility conditions.

What if my family member is eligible for AB-PMJAY but another family member is not?

The eligibility of each family should be checked against the applicable beneficiary databases and scheme rules. The hospital/helpdesk should verify which scheme is applicable to the patient before admission or claim processing.

Can treatment be taken outside West Bengal?

MMSBY has national portability provisions, subject to PM-JAY rules and treatment at participating/empanelled hospitals.

Can I receive treatment at a private hospital?

Yes, provided the hospital is empanelled under the applicable scheme and the treatment/procedure is covered under the scheme package.

Is every treatment covered?

No. It is as per the approved package list. Possession of a card does not mean that every medical service is automatically free. Services or items outside the approved package or scheme coverage may still require payment.

Do I need to surrender my Swasthya Sathi card?

Beneficiaries should follow the instructions issued by the Government of West Bengal. The source states that cards/documents should not be destroyed or surrendered unless instructed by the competent authority.

Will I have to pay a premium for MMSBY?

File No. HFW-57011(18)/2/2026-SWASTHYASATHI SEC-Dept. of H&FW (Computer No. 1483794)

MMSBY is a Government-sponsored health protection scheme. Beneficiaries should follow the latest official notification regarding enrolment and any beneficiary contribution, if applicable.

Safety & Help

What if someone asks me for money to generate an AB-PMJAY/MMSBY card?

Be cautious. Do not pay an unauthorised agent simply for obtaining a government scheme card. Use only authorised government channels, hospitals, enrolment centres or designated service centres for beneficiary verification and enrolment.

Hospital Guidance

What should hospitals do when a patient presents an old Swasthya Sathi card?

Verify identity; check current AB-PMJAY eligibility; if not eligible, check applicable MMSBY eligibility; verify the active beneficiary record; confirm hospital empanelment; check whether the proposed treatment is covered; obtain pre-authorisation wherever required; process under the correct scheme; and provide appropriate documentation/bills as prescribed.

Beneficiary Checklist

What should a beneficiary do before planned hospitalisation?

Check current scheme eligibility; confirm the hospital is empanelled; ask whether the planned procedure is covered; carry Aadhaar/identity documents; carry the applicable health scheme card/e-card; keep the registered mobile number available for OTP/e-KYC where required; and ask the hospital helpdesk about pre-authorisation requirements.

Where can I check beneficiary eligibility in West Bengal?

The supplied source provides this official West Bengal PM-JAY eligibility URL: https://pmjay-sha.wb.gov.in

Where can I search for the list of AB-PMJAY empanelled hospitals?

The hospital list should be checked through the official PM-JAY hospital search facility rather than relying on third-party lists. Beneficiaries can search according to location, speciality and other available filters.

Hospital Helpdesk

What should I do if the hospital says that my card is not working?

Ask the hospital's Ayushman Mitra/help desk to check the beneficiary record; confirm identity and e-KYC status; ask whether the hospital is currently empanelled for the required speciality/package; ask whether the treatment/procedure is covered; and if unresolved, use the official PM-JAY grievance/help mechanism.

ABHA

Does having an ABHA card mean that I have AB-PMJAY insurance?

No. ABHA (Ayushman Bharat Health Account) is a digital health identity/account. AB-PMJAY is a health-assurance scheme providing hospitalisation benefits to eligible beneficiaries.

SWASTHYA SATHI → AB-PMJAY

Migration FAQs & Transition Guidance

1. What will happen to my existing Swasthya Sathi card after migration to AB-PMJAY?

The beneficiary will be migrated/enrolled into the applicable AB-PMJAY system as per the Government's migration process. The physical Swasthya Sathi card should not be assumed to continue authorising treatment after it has been deactivated/hotlisted. Once active under AB-PMJAY, the hospital should verify eligibility in the AB-PMJAY system and provide treatment according to the applicable rules.

2. What will happen to the unused Swasthya Sathi wallet/balance?

The unused Swasthya Sathi balance should not be presumed to be automatically transferred to the AB-PMJAY entitlement.

3. If I have already used part of my Swasthya Sathi benefit, will that utilisation be deducted from my AB-PMJAY entitlement?

The two systems should not be treated as one common wallet unless the migration system specifically maps the previous utilisation. Hospitals should not manually deduct Swasthya Sathi utilisation from the AB-PMJAY entitlement unless the portal/system or official instructions specifically require it.

SWASTHYA SATHI → AB-PMJAY MIGRATION

Migration FAQs

4. Can a beneficiary use both Swasthya Sathi and AB-PMJAY cards during the same hospital admission?

Generally, the beneficiary should not be treated under both schemes for the same treatment episode merely because both cards are physically available. The hospital should determine which scheme applies based on the admission date, scheme status, pre-authorisation status and transition instructions.

5. What if the patient was admitted under Swasthya Sathi before migration but is discharged after migration?

The date of admission and existing pre-authorisation should be checked first. If the case was already authorised under Swasthya Sathi before transition, the hospital should not automatically cancel the existing case simply because the beneficiary's status subsequently changes. Final settlement should follow the transition instructions issued by the competent authority.

6. Which date will determine the applicable scheme—admission date, pre-authorisation date or discharge date?

This should be determined by the official transition protocol. Hospital operations should record the admission date/time, Swasthya Sathi eligibility at admission, pre-authorisation number/date, migration or hotlisting date, AB-PMJAY eligibility date, and discharge date/time.

SWASTHYA SATHI → AB-PMJAY MIGRATION

Migration FAQs

7. What happens if the Swasthya Sathi card has been hotlisted?

If the card is hotlisted, the hospital should not continue to use it as an active authorisation unless the transition instruction specifically permits continuation of an already authorised case. The beneficiary should be checked in the AB-PMJAY system and, if active/eligible, treatment should be processed under AB-PMJAY.

8. If my Swasthya Sathi card is hotlisted, how will I receive treatment under AB-PMJAY?

The hospital should verify the beneficiary's identity and eligibility in the AB-PMJAY system. The beneficiary may need to complete the required AB-PMJAY identification, e-KYC or card-generation process, depending on the status shown in the system. Existing Swasthya Sathi enrolment information may assist beneficiary identification.

9. What if the beneficiary has not received the AB-PMJAY physical card?

A physical card should not necessarily be treated as the only means of establishing eligibility. The hospital should use the authorised AB-PMJAY beneficiary-verification process. If the beneficiary is successfully identified and found eligible, the required e-card/identification process can be completed according to the prevailing procedure. Carry Aadhaar and other available supporting documents.

SWASTHYA SATHI → AB-PMJAY MIGRATION

Migration FAQs

10. What if my Swasthya Sathi card is active but my AB-PMJAY status is not yet active?

The hospital should not assume that migration has been completed merely because the beneficiary is expected to migrate. Eligibility should be checked in the relevant system. If Swasthya Sathi is still active and the beneficiary is eligible under Swasthya Sathi, the case should be processed according to the applicable Swasthya Sathi rules unless an official transition instruction says otherwise.

11. What if AB-PMJAY shows me as inactive even though I had a Swasthya Sathi card?

The beneficiary should not be denied solely because migration is assumed to have occurred. The hospital should verify identity, check the AB-PMJAY database, check Swasthya Sathi status where applicable, check whether the beneficiary is covered under the transition arrangement, and escalate through the authorised help-desk/nodal mechanism if the databases disagree.

12. Can I use my old Swasthya Sathi balance after receiving an AB-PMJAY card?

No. The old Swasthya Sathi balance should not be treated as a separate cash balance that the beneficiary can freely combine with the AB-PMJAY entitlement.

SWASTHYA SATHI → AB-PMJAY MIGRATION

Migration FAQs

13. Can I use Swasthya Sathi for one part of treatment and AB-PMJAY for the remaining part?

Not without an authorised transition mechanism. A hospital should not divide a single treatment episode between Swasthya Sathi and AB-PMJAY simply to utilise both entitlements.

14. What happens to a Swasthya Sathi pre-authorisation that was already approved?

An already approved pre-authorisation is an important document during transition. The hospital should retain the details and check whether the case is completed under Swasthya Sathi, eligible for continuation under Swasthya Sathi, required to be migrated to AB-PMJAY, or subject to a special transition/settlement process.

15. Will the hospital receive payment if the Swasthya Sathi card becomes hotlisted after admission?

Claim liability should depend on the applicable transition rule and the status of the case, rather than simply on whether the card is currently showing as hotlisted. For an ongoing admission, the hospital should preserve evidence of eligibility and authorisation existing at the time of admission.

SWASTHYA SATHI → AB-PMJAY MIGRATION

Migration FAQs

16. Will Swasthya Sathi and AB-PMJAY have the same package rates?

Not necessarily. Package definitions, rates, pre-authorisation requirements and claim-processing rules may differ between the schemes.

17. What should a beneficiary do if the Swasthya Sathi card is hotlisted and AB-PMJAY verification fails?

The beneficiary should request the hospital's help desk/Arogya Mitra/authorised operator to verify the case and raise the appropriate grievance or technical escalation. Retain Aadhaar, ration/Khadyasathi card, Swasthya Sathi card, AB-PMJAY card/e-card if available, registered mobile number, and previous pre-authorisation details if treatment is ongoing.

৩। Swasthya Sathi সুবিধার কিছু অংশ ব্যবহার করলে সেটি কি AB-PMJAY অধিকার থেকে বাদ যাবে?

স্থানান্তর ব্যবস্থা আগের ব্যবহারকে বিশেষভাবে যুক্ত না করলে দুটি ব্যবস্থাকে একই সাধারণ ওয়ালেট হিসেবে দেখা উচিত নয়। পোর্টাল/ব্যবস্থা বা সরকারি নির্দেশে স্পষ্টভাবে না বললে হাসপাতাল Swasthya Sathi-এর ব্যবহার AB-PMJAY অধিকার থেকে নিজে থেকে বাদ দেবে না।

৪। একই হাসপাতালে ভর্তির সময় কি Swasthya Sathi এবং AB-PMJAY দুটো কার্ড ব্যবহার করা যায়?

সাধারণত, দুটো কার্ড কাছে আছে বলে একই চিকিৎসা-পর্বে দুটো প্রকল্পের অধীনে চিকিৎসা করা উচিত নয়। ভর্তির তারিখ, প্রকল্পের অবস্থা, প্রি-অথরাইজেশনের অবস্থা এবং স্থানান্তর নির্দেশের ভিত্তিতে হাসপাতালকে প্রযোজ্য প্রকল্প নির্ধারণ করতে হবে।

৫। রোগী স্থানান্তরের আগে Swasthya Sathi-এর অধীনে ভর্তি হয়েছেন, কিন্তু স্থানান্তরের পরে ছাড়পত্র পেলেন — তাহলে কী হবে?

প্রথমে ভর্তির তারিখ এবং বিদ্যমান প্রি-অথরাইজেশন পরীক্ষা করতে হবে। স্থানান্তরের আগে Swasthya Sathi-এর অধীনে কেস অনুমোদিত হয়ে থাকলে, পরে উপভোক্তার অবস্থা বদলেছে বলে হাসপাতাল স্বয়ংক্রিয়ভাবে কেস বাতিল করবে না। চূড়ান্ত নিষ্পত্তি কর্তৃপক্ষের স্থানান্তর নির্দেশ অনুযায়ী হবে।

৬। কোন তারিখে প্রকল্প নির্ধারিত হবে — ভর্তির তারিখ, প্রি-অথরাইজেশনের তারিখ না ছাড়পত্রের তারিখ?

সরকারি স্থানান্তর প্রোটোকল অনুযায়ী এটি নির্ধারিত হবে। হাসপাতালের নথিতে ভর্তির তারিখ/সময়, ভর্তির সময় Swasthya Sathi যোগ্যতা, প্রি-অথরাইজেশন নম্বর/তারিখ, স্থানান্তর বা হটলিস্টের তারিখ, AB-PMJAY যোগ্যতার তারিখ এবং ছাড়পত্রের তারিখ/সময় রাখা উচিত।

৭। Swasthya Sathi কার্ড হটলিস্ট হলে কী হবে?

কার্ড হটলিস্ট হলে, ইতিমধ্যে অনুমোদিত কেস চালিয়ে যাওয়ার অনুমতি স্থানান্তর নির্দেশে না থাকলে হাসপাতালের সেটিকে সক্রিয় অনুমোদন হিসেবে ব্যবহার করা উচিত নয়। AB-PMJAY ব্যবস্থায় উপভোক্তাকে পরীক্ষা করতে হবে এবং সক্রিয়/যোগ্য হলে AB-PMJAY-এর অধীনে চিকিৎসা প্রক্রিয়া করতে হবে।

৮। Swasthya Sathi কার্ড হটলিস্ট হলে AB-PMJAY-এর অধীনে কীভাবে চিকিৎসা পাব?

হাসপাতালকে AB-PMJAY ব্যবস্থায় উপভোক্তার পরিচয় ও যোগ্যতা যাচাই করতে হবে। ব্যবস্থায় দেখানো অবস্থার ওপর নির্ভর করে প্রয়োজনীয় AB-PMJAY শনাক্তকরণ, e-KYC বা কার্ড তৈরির প্রক্রিয়া সম্পূর্ণ করতে হতে পারে। পুরনো Swasthya Sathi নথিভুক্তির তথ্য শনাক্তকরণে সহায়ক হতে পারে।

৯। AB-PMJAY-এর ফিজিক্যাল কার্ড না পেলে কী হবে?

যোগ্যতা প্রমাণের একমাত্র উপায় হিসেবে ফিজিক্যাল কার্ডকে সবসময় ধরা উচিত নয়। হাসপাতালকে অনুমোদিত AB-PMJAY উপভোক্তা-যাচাই প্রক্রিয়া ব্যবহার করতে হবে। সফলভাবে শনাক্ত ও যোগ্য হলে প্রচলিত পদ্ধতিতে e-card/পরিচয় প্রক্রিয়া সম্পূর্ণ করা যাবে। আধার ও অন্যান্য সহায়ক নথি সঙ্গে রাখুন।

১০। আমার Swasthya Sathi কার্ড সক্রিয়, কিন্তু AB-PMJAY অবস্থা এখনও সক্রিয় নয় — তাহলে কী হবে?

শুধু স্থানান্তর হওয়ার কথা আছে বলে হাসপাতালের ধরে নেওয়া উচিত নয় যে স্থানান্তর সম্পূর্ণ হয়েছে। সংশ্লিষ্ট ব্যবস্থায় যোগ্যতা পরীক্ষা করতে হবে। Swasthya Sathi সক্রিয় এবং উপভোক্তা সেখানে যোগ্য হলে, সরকারি স্থানান্তর নির্দেশে অন্যথা না বলা পর্যন্ত প্রযোজ্য Swasthya Sathi নিয়মে কেস প্রক্রিয়া করা উচিত।

১১। Swasthya Sathi কার্ড থাকা সত্ত্বেও AB-PMJAY আমাকে নিষ্ক্রিয় দেখালে কী হবে?

স্থানান্তর হয়েছে ধরে নিয়ে শুধু সেই কারণে উপভোক্তাকে অস্বীকার করা উচিত নয়। হাসপাতালকে পরিচয় যাচাই, AB-PMJAY ডেটাবেস পরীক্ষা, প্রযোজ্য ক্ষেত্রে Swasthya Sathi-এর অবস্থা যাচাই, স্থানান্তর ব্যবস্থায়

উপভোক্তা কভার হন কি না পরীক্ষা এবং ডেটাবেসে অমিল থাকলে অনুমোদিত হেল্পডেস্ক/নোডাল ব্যবস্থায় বিষয়টি পাঠাতে হবে।

১২। AB-PMJAY কার্ড পাওয়ার পরে কি পুরনো Swasthya Sathi ব্যালেন্স ব্যবহার করতে পারি?

না। পুরনো Swasthya Sathi ব্যালেন্সকে আলাদা নগদ ব্যালেন্স হিসেবে ধরে AB-PMJAY অধিকারের সঙ্গে ইচ্ছামতো যোগ করা যাবে না।

১৩। চিকিৎসার এক অংশ Swasthya Sathi এবং বাকি অংশ AB-PMJAY-তে নিতে পারি?

অনুমোদিত স্থানান্তর ব্যবস্থা ছাড়া নয়। দুটি অধিকার ব্যবহার করার জন্য হাসপাতালের একটি চিকিৎসা-পর্বকে Swasthya Sathi এবং AB-PMJAY-এর মধ্যে ভাগ করা উচিত নয়।

১৪। আগে অনুমোদিত Swasthya Sathi প্রি-অথরাইজেশনের কী হবে?

স্থানান্তরের সময় আগে অনুমোদিত প্রি-অথরাইজেশন একটি গুরুত্বপূর্ণ নথি। হাসপাতালকে তথ্য রেখে পরীক্ষা করতে হবে কেসটি Swasthya Sathi-এর অধীনে সম্পূর্ণ হয়েছে কি না, Swasthya Sathi-এর অধীনে চালিয়ে যাওয়ার যোগ্য কি না, AB-PMJAY-তে স্থানান্তর করা দরকার কি না, অথবা বিশেষ স্থানান্তর/নিষ্পত্তি প্রক্রিয়া প্রযোজ্য কি না।

১৫। ভর্তির পরে Swasthya Sathi কার্ড হটলিস্ট হলে হাসপাতাল কি টাকা পাবে?

দাবির দায় শুধু কার্ডটি বর্তমানে হটলিস্ট দেখাচ্ছে কি না তার ওপর নয়, প্রযোজ্য স্থানান্তর নিয়ম ও কেসের অবস্থার ওপর নির্ভর করা উচিত। চলমান ভর্তির ক্ষেত্রে ভর্তির সময়কার যোগ্যতা ও অনুমোদনের প্রমাণ হাসপাতালকে সংরক্ষণ করতে হবে।

১৬। Swasthya Sathi এবং AB-PMJAY-এর প্যাকেজ রেট কি একই?

অবশ্যই নয়। দুই প্রকল্পে প্যাকেজের সংজ্ঞা, রেট, প্রি-অথরাইজেশনের প্রয়োজনীয়তা এবং দাবি প্রক্রিয়ার নিয়ম আলাদা হতে পারে।

১৭। Swasthya Sathi কার্ড হটলিস্ট এবং AB-PMJAY যাচাই ব্যর্থ হলে উপভোক্তার কী করা উচিত?

হাসপাতালের হেল্পডেস্ক/Arogya Mitra/অনুমোদিত অপারেটরকে কেস যাচাই করে উপযুক্ত অভিযোগ বা প্রযুক্তিগত এসকেলেশন করতে বলুন। আধার, রেশন/Khadyasathi কার্ড, Swasthya Sathi কার্ড, থাকলে AB-PMJAY কার্ড/e-card, নথিভুক্ত মোবাইল নম্বর এবং চিকিৎসা চলমান থাকলে আগের প্রি-অথরাইজেশনের তথ্য সঙ্গে রাখুন।

- টাকা চাওয়ার কারণ হাসপাতালকে জিজ্ঞাসা করুন।
- পরিষেবাটি প্রযোজ্য প্যাকেজে অন্তর্ভুক্ত কি না পরীক্ষা করুন।
- সরকারি প্রকল্পের কার্ড পাওয়ার জন্য অননুমোদিত এজেন্টকে টাকা দেবেন না।
- নির্ধারিত অভিযোগ ব্যবস্থায় সন্দেহজনক টাকা চাওয়ার বিষয়টি জানান।
